Life presents us with many transitions. A marriage falters. A parent dies. Work becomes unfulfilling. Children leave home. An illness lingers. Our faith weakens.

Change has a way of bringing on stress, anxiety and depression. We may feel out of control and unable to cope. Left unattended, stress can lead to emotional or behavioral problems, physical illness or loss of faith. The staff at Crossroads Christian Counseling Center believes that, to achieve wholeness in our lives, we must seek a right relationship with ourselves, others and God. Our highly-trained and experienced counselors assess problems, explore solutions and provide a secure framework as you seek personal and spiritual growth in your life.

SERVICES

Crossroads Christian Counseling Center provides counseling for individuals, couples, families and groups. Spiritual guidance and short-term crisis intervention are available as well as play therapy for children, adolescent counseling, pre-marital, and marital counseling.

The mission of Crossroads Christian Counseling Center, Inc. is to serve all people who are affected by life's challenges through Christian-based counseling, support and education.
